

Ms. Linda Loper is a favorite patron at the Ridgeland Library. She is frequently roaming the audio book section to select a great mystery. Ms. Loper shared recently with us a note that read: "The staff at the Ridgeland Library is wonderful. All the librarians are very kind, helpful, knowledgeable, and friendly." Because of her cheerful personality and delightful conversation, the Ridgeland staff truly looks forward to seeing Ms. Loper several times a week!
